# BRYANETTE

ALUMNI NEWS SHEET  
JULY and AUGUST 1949

BRYAN UNIVERSITY  
Dayton, Tennessee

"Half of our language school term for the summer is over and there is only praise and thanksgiving in our hearts for all the way the Lord has led and guided these past two months. .

when one goes to high school or college he spends much time studying on several subjects, but here we have but one subject to take up our time. . .language. This calls for perseverance and stickability. We have just started, too, because we will be spending our first two years on language. Although we don't know how to speak the language as yet, we do praise the Lord for the opportunities He has given to minister to those who know English. One such opportunity is with about two hundred young people from one of the schools here on the hill. I have about fifteen minutes with them each Sunday morning when we sing choruses and give a few words as the Lord directs."

John '45 and Wilda ex'48 Quimby are doing deputation work this summer and are still looking forward toward China or Japan before Christmas. We anticipate a visit on Bryan Hill in October.

When returning the form card sent out recently, Solon W. Hoyt ex'43, a missionary in Argentina, added "I prefer monthly issues of BRYANETTE, although I don't cooperate by sending any news." Anyone in Christian service can sympathize with the demand on one's time and energy. The time is short and we must be busy about our Father's business. Let's pray for all of our missionaries.

Albert '44 and Gwen '45 Wyllie, Igbaja via Ilorin, Nigeria June 12

"We are nearing the end of another quarter of school work. We have never known a year to go by so quickly. . .we wish you could see our lovely compound. We have just finished having all the school buildings, dormitories, etc., whitewashed and trimmed with dark green paint. The stones which mark off the various paths, roads, and flower gardens are all white-washed too. Why don't you drop in for a week or so? Dianne remains well and strong and happy. . .Christian love and greetings."

Ruhe Rudd Pringle ex'44, Tribune, Kansas

July 30

"Perhaps you'd enjoy hearing about Bryce. He weighed 6 lbs. 10 ozs. at birth and now weighs 14 lbs. He's 26 inches long so is really a tall little fellow. He's bald, but a dark fuzz is showing and he has brown eyes. It is a constant debate as to who he looks like, but I believe he is a little Rudd except for coloring. We have had a busy summer. The crops have been very poor, but that doesn't cut down the work. Doug's brother was drafted in January so Doug's work has almost doubled. We'll be glad when winter comes and He's home better hours."

Paul Smith ex'48, Northampton, Massachusetts

July 1949

"How good it is to receive all the news about Bryan classmates. Keep it coming. I am temporarily interrupting my graduate work at Harvard University as I have been offered and have accepted a position as head of the foreign languages department (Latin and French) at Chester High School, Chester, Vermont. Much being snow-bound next winter!"

Irma O'Neal Sions ex'49, Sunnyside, Washington

June 27

"We wanted to go back east this summer and visit my husband's folks who live in West Virginia and I wanted to attend commencement at Bryan--hope to make it next year. I've been secretary in the bank here since returning from Bryan and like it very much. I enjoy keeping house on the side too, so between the two jobs I'm kept pretty busy. I enjoy reading the NEWSETTE and BRYANETTE."

#### SUMMER NEWS AT BRYAN!!

Beatrice Batson '44 has returned to the campus after attending the Inter-Session at Wheaton College.

Mr. and Mrs. H. W. Hill, who have charge of the Bryan Boarding Department, spent a few days in June visiting Louise Post '41 in Salyersville, Kentucky.

Right now we are welcoming quite a few local trustees, alumni and former students on the campus--they want to see what is going on in the building program. One who visited recently remarked "I received two picture postcards showing the progress and decided I wanted to come up and see for myself."

Recently some have inquired for addresses of former staff and students. In so far as possible, we maintain a current file of addresses for those who have been a part of the Bryan family; so anytime you need an address, we will be glad to furnish it, if possible.

Sympathy is extended to Dorothy Caudle ex'34 and Wayne Caudle ex'36 in the sudden death of their father, Mr. T. W. Caudle, of Dayton.

Angie Garber '47 has been spending the summer at Winona Lake, Indiana.

LaVerne Howland '47 has been travelling with a gospel group from the Piedmont Bible Institute during the summer months.

The '49 Temple Chimes, the college annual of Tennessee Temple College, of Chattanooga, Tennessee, was dedicated to Dr. J. S. Brownlee, a Bible teacher of the college. Dr. and Mrs. Brownlee were formerly at Bryan.

Zelpha Russell ex'37 has recently moved from Cleveland, Tenn., to Greenville, S. C., where she has accepted a position as church visitor with a Bible Presbyterian church.

Several cards have been received in recent days from Mr. Arne Ahlman, former staff member--he and Mrs. Ahlman are vacationing in Europe. "A delightful three weeks in England--en route to Scandinavian countries, spent two days on a tour to the Shakespearean country."

Campus visitors: J. Holmes Smith '40 and family, Eskle Baker ex'49, Elaine Kennard '47, Syers and Paul Syers ex'50.

At the Summer Institute of Linguistics in Norman, Oklahoma, Bryan is represented by Mr. and Mrs. Henry Moeller, '49, Prof. Garner Hoyt, and former staff, Miss Anna M. Koentz.
